About the College

Morning Star Home Science College is a regular arts and science college affiliated to Mahatma Gandhi University, Kottayam, Kerala and reaccredited by NAAC with A grade. The college is run by the Congregation of Sisters of Nazareth (CSN) and was established in 1968 with the motto 'Learn to Serve, Serve with Love'. At present, the college provides 8 Undergraduate programmes, 5 Postgraduate programmes and a Research Programme. The college is located at the National Highway and easily reachable by road, rail and air. The entire campus comprises of the Administrative Block, Arts Block cum Central Library, Science Block, Nazareth Block, Hostel, Morning Star Play School and the St. Jude Counseling Centre. The lush green garden inside the campus is filled with plants for eco-purification. We are proud to say that it's a Zero Waste campus and 90% of the institutional power requirement is met through the renewable energy source.

The infrastructure of the college plays a key role in creating a positive learning atmosphere. We have well-furnished, properly lit and sufficiently ventilated classrooms, departments, and administrative office. All departments are equipped with smart learning facilities like LCD Projector, Laptops and 100% ICT class rooms. Institution has well equipped Bio-Chemistry, Physics, Chemistry, Botany, Zoology, Computer, Cooking and tailoring laboratories. The college library is fully digitalized with Advanced Library Information and Management System. Facilities and training in various sports and games are provided in which the students of the institution are winners at the University, State and National levels.

MOTTO

Learn to Serve, Serve with Love

VISION

To mould young women as prudent scholars and competent professionals capable of becoming ambassadors of graceful service to their families and to society.

MISSION

To equip young women to cope with the challenges of the times by fostering self respect and self reliance, promoting divergent thinking and cultivating a knowledge culture.

To ensure the all round development of students by providing value based instruction and skills training.
