## Annual Report 2023- 2024

### International Interactive Workshop

Career Guidance and Placement Cell, in association with the University of Europe Applied Science, organized an international interactive workshop on the topic "Leadership Skills in the Age of Change" on June 9, 2023.

Professor Dr. Sasha Bosetzky from the University of Europe for Applied Science, along with Laila Irfan, Director of Business Development, conducted sessions aimed at helping students develop leadership skills in the post-modern world. The program was meticulously organized by Dr. Sr. Shemi George and coordinated by Dr. Rashmi M.B., Ms. Ramya R, and Ms. Armiya V.A.

This program facilitated students' awareness of leadership skills essential in navigating the evolving landscape. Its primary objective was to instill confidence in students regarding their career prospects while enhancing their leadership and communication abilities.

### Orientation on Career Guidance

Career Guidance and Placement Cell, in collaboration with Mastering Corporate Careers, organized an orientation program on June 7, 2023. Abhijith U.B. and Chinchu K Bhavani, both Founders and Faculty of Mastering Corporate Careers, served as the resource persons for the event.

The orientation session proved invaluable for students as it shed light on their prospective career paths and equipped them with strategies to thrive in the competitive job market. By delving into emerging career trends within their respective fields, students gained insights into forthcoming opportunities. The program specifically emphasized evolving career orientation paradigms and strategies for securing placements in today's fiercely competitive job market.

Dr. Sr. Shemi George spearheaded the organization of the program, with coordination assistance from Dr. Rashmi M.B., Ms. Ramya R, and Ms. Armiya V.A.

## **Communication in English to Create Competent Youth**

### **Objective:**

The aim of this program was to raise students' awareness about the crucial role of English communication in today's competitive job market. It sought to enhance students' confidence in English fluency, while also improving their listening and writing skills.

### **Benefits:**

The program enriched students' understanding of methods to enhance their speaking, listening, and writing abilities in English.

### **Beneficiaries:**

All students of Morning Star Home Science College.

### **Summary:**

Career Guidance and Placement Cell, in collaboration with Stargate Academy and Career Solution, Angamaly, organized a one-day seminar on July 11, 2023, themed "Communication in English to Create Competent Youth."

Dr. Shintu Dennis, Assistant Professor at St. Joseph's College, Moolamattom, conducted sessions aimed at developing students' English speaking skills. The program was meticulously organized by Dr. Sr. Shemi George and coordinated by Dr. Rashmi M.B., Ms. Ramya, and Armiya V.A.

## MOU Signed with Veranda Club

A Memorandum of Understanding (MoU) was established with Veranda Learning Solutions Ltd, initiating the creation of the Veranda Club within the college premises. The primary objective of this club is to foster collaboration among its members, enabling them to learn from each other under the expert guidance provided.

As part of the agreement, Veranda Learning Solutions Ltd committed to supplying training materials, including competitive exam subject books and career development resources, for the benefit of the club members. These materials are housed within the Club premises of the College, facilitating easy access for students.

A generous provision of 91 competitive exam books was made by the institute, provided to the college at no cost. These resources are actively utilized by our students, aiding them in their academic and career pursuits.

## Commencement of Aptitude Training by Aptitech Training Institute

As an initiative of the Career Guidance and Placement Cell, the Aptitech Training Institute commenced its training programs at Morning Star Home Science College in October 2023. These comprehensive training sessions encompass Interview Training, Group Discussion, and Resume Building, crucial components for preparing students for their future career endeavors.

A total of 23 students from various departments within the college enthusiastically enrolled in the program, indicating a strong interest and commitment to enhancing their professional skills and prospects. This initiative aims to equip students with the necessary tools and techniques to excel in job interviews, effectively participate in group discussions, and craft compelling resumes, thus empowering them to navigate the competitive job market with confidence and competence.

## **Seminar on Youth Motivation and Career Opportunities**

### **Objective:**

The objective of this program was to enlighten students about significant career prospects following their graduation and post-graduation. Through this seminar, students were encouraged to think critically and motivated to pursue their passions with renewed vigor.

### **Benefits:**

The program facilitated students in broadening their understanding of diverse career opportunities within their respective fields of study. It aimed to empower students to make informed decisions regarding their future career paths.

### **Beneficiaries:**

The beneficiaries of this seminar were 3rd-year undergraduates and 2nd-year postgraduates of Morning Star Home Science College.

### **Summary:**

The Career Guidance and Placement Cell organized a one-day seminar on the topic "Youth Motivation and Career Opportunities" on November 10, 2023. Dr. Linda Theresa Luiz, Assistant Professor at St. Teresa's College, Ernakulam, conducted sessions aimed at motivating students to pursue their passions with renewed enthusiasm.

The program was meticulously organized by Dr. Sr. Shemi George and coordinated by Dr. Rashmi M.B., Ms. Ramya, and Armiya V.A.
