About the College...

Morning Star Home Science College is a regular arts and science college affiliated to Mahatma Gandhi University, Kottayam. The College was established in 1968 and is administered by CSN Educational Society. Located at an ideal place right by NH 47, this semi-rural college has been assuring quality education for girls.

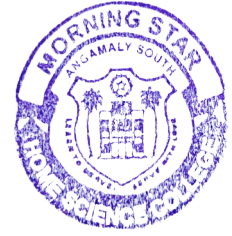

About the Seminar...

Higher Education Sector is a cultural and scientific asset and is undergoing rapid changes and transitions. National Education Policy 2020 has advised reforms in curriculum and methodology ensuring higher order cognitive and critical thinking skills among students. New policy envisioned the building of a more socially responsible and knowledge society which can drive development through social and technological innovations in a sustainable manner. The seminar focuses on the implementation of 4 year undergraduate programmes and the changes in curriculum and pedagogy being introduced in higher educational institutions at national and state levels.
