Accenta Education

Accenta Education is a reputed organization in the field of educational training and skill development, offering structured learning solutions and placement support across schools and educational institutions in Kerala. As part of its commitment to bridging academic learning with professional opportunities, a campus placement drive was conducted in association with the Career Guidance & Placement Cell of Morning Star College, Angamaly. A total of **twelve students**, featured below, from MSHSC were successfully **placed** in Accenta Education as Communicative English Trainers through the placement drive conducted.

Trade Talks and Logic Box

Trade Talks and Logic Box are organizations engaged in educational and professional development, with a focus on trading education, market awareness, and skill-based training. In association with the Career Guidance & Placement Cell of Morning Star College, Angamaly, a campus placement drive was conducted to provide on-campus employment opportunities for final-year UG and PG students. As a result of the recruitment drive, eighteen students from MSHSC were successfully shortlisted for the role of Admission Counsellor by Trade Talks and Logic Box through the placement drive conducted on campus.

CAREER GUIDANCE – 2025- '26

Workshop on Upskilling and Career Success

A workshop titled *"The Art of Upskilling: Cultivating a Growth Mindset for Career Success"* was organised on 4 July 2025 in association with SLBS Marklance at the College Auditorium. The session, led by Mr. Shameem Pariyanghat, Zonal Business Head at SLBS Marklance, emphasised the importance of continuous learning, adaptability, goal-setting, and digital learning platforms in today's evolving job market. The programme also highlighted emerging career trends and the technical and soft skills required for professional success, motivating students to focus on lifelong skill development and career readiness.

Seminar on Career Planning and Leadership

A seminar on Career Planning, Career Growth, Personal Empowerment, Financial Literacy, and Leadership was conducted on 5 August 2025 at the College Auditorium for final-year UG and PG students. The session was led by Dr. M. V. Polachan, Former Deputy Chief, University Employment Information and Guidance Bureau, Sree Sankaracharya University of Sanskrit, Kalady. The seminar provided valuable guidance on career planning, professional growth, confidence building, personal financial management, and leadership skills essential for workplace success and holistic development.

Capacity Building & Skill Enhancement Programme

A Capacity Building & Skill Enhancement Programme titled *"The Power of Skill-Oriented Learning: Enhancing Employability & Career Advancement"* was conducted on 7 November 2025 at the College Auditorium. The workshop featured Ajay P. Shiju, Business

Development Manager, and Archana N, Faculty at Microsoft, as resource persons. The speakers emphasised the importance of developing technical, interpersonal, and behavioural skills to meet modern industry demands. The session focused on continuous learning,

adaptability, digital competence, resume enhancement, communication skills, interview readiness, problem-solving abilities, and the role of professional certifications in career growth. Students gained insights into employer expectations and received practical guidance on aligning academic learning with industry-relevant competencies to improve employability.

Career Guidance Programme on Medical Coding

A Career Guidance Programme titled *"Medical Coding: A Gateway to Global Careers"* was organised on 19 November 2025 at the Science Block. The session was led by Ms. Jishna P, Centre Manager, Transorze Ernakulam Branch, who introduced students to the field of medical coding and its significance in the global healthcare industry. She explained the role of medical coders in healthcare documentation, billing, and insurance processing, while also highlighting the growing global demand and career opportunities in hospitals, insurance companies, and healthcare service providers. The programme helped students gain clarity on the career prospects and professional scope of medical coding.

Career Guidance Programme on Company Secretaryship

A Career Guidance Programme titled *"Navigating Company Law and Governance: Fundamentals of Company Secretaryship"* was conducted on 19 November 2025 in the College Conference Hall. The session was led by CS Vivek Kumar (MCom, LLB, FCS, DARB – ICSI) and CS Dhanya Paul (MCom, FCS, DARB – ICSI). The speakers introduced students to the principles of company law and corporate governance, highlighting the role of Company Secretaries in ensuring legal compliance, governance standards, and strategic decision-making within organisations. The session also covered compliance management, corporate administration, documentation procedures, board meeting practices, and the career path and opportunities available in the Company Secretary profession. Real-world examples shared during the session helped students understand the practical application of company law in organisational contexts.

Soft Skill Training Programme on Resume Building and Interview Readiness

A full-day Soft Skill Training Programme on *Resume Building and Interview Readiness* was organised on 20 November 2025 at the College Auditorium in collaboration with Vijnanakeralam. The programme consisted of two sessions aimed at enhancing students' employability and professional preparedness. Ms. Elizabeth Ipe, Soft Skill Trainer, KKEM & ASAP, conducted an interactive session on Interview Readiness, covering communication etiquette, confidence-building, body language, common interview questions, and professional

behaviour during recruitment processes. Through practical demonstrations and activities, students gained valuable insights into effective self-presentation and interview performance. The second session was led by Ms. Sangeetha Sakthi, Soft Skill Trainer and Block Coordinator & Faculty, KILA, who guided students on structuring professional resumes, highlighting skills and achievements, avoiding common mistakes, and tailoring resumes to specific job roles. The programme strengthened students' confidence, workplace readiness, and understanding of essential soft skills required for career success.

Digital Proficiency Boot Camp

A Capacity Building & Skill Enhancement Programme titled *"Digital Proficiency Boot Camp"* was organised on 25 November 2025 in association with NASSCOM FutureSkills Prime at the College Auditorium. The session was led by Mr. Varghese George, Manager – FSP Adoption & GTM Alliance, FutureSkills Prime, who introduced students to the NASSCOM FutureSkills Prime platform and its role in promoting industry-aligned digital upskilling. The session highlighted the importance of emerging digital skills, structured online learning, and continuous skill development in meeting evolving industry demands and enhancing employability. Students were familiarised with various online courses and certification programmes available on the platform and were encouraged to actively engage in self-paced learning for long-term professional growth. The programme created awareness about future-ready skills and motivated students to strengthen their digital proficiency.

Training Programme on Interview Readiness

A Training Programme on Interview Readiness was conducted on 15 December 2025 at N11, Nazareth Block, exclusively for Accenta Job Drive participants. The programme focused on equipping students with essential skills required for competitive job interviews and selection procedures. The training included Mock Interviews, Aptitude Tests, JAM sessions, and Group Discussions, providing students with hands-on experience in real interview situations. The sessions were led by Dr. Gincy P Kuriakose, Ms. Vyshnavi Baiju, Ms. Anumol Poulose, and Dr. Meera George, who offered expert guidance and constructive feedback. Students actively participated and gained valuable insights into communication skills, analytical thinking, body language, and interview etiquette, contributing to their overall professional development.

Campus Recruitment Drive with Accenta Education

A Campus Recruitment Drive in association with Accenta Education was conducted on 16 December 2025 at Morning Star College, Angamaly, for final-year UG and PG students. The drive offered recruitment opportunities for the post of Communicative English Trainer in leading schools across Kerala. A total of 26 students participated in the recruitment process, which included an orientation session, JAM (Just A Minute), Aptitude Test, Group Discussion, and Personal Interview. The drive provided students with valuable exposure to real-time placement procedures and professional expectations in the education sector.

Campus Recruitment Drive with Trade Talks and Logic Box

A Campus Recruitment Drive in association with Trade Talks and Logic Box was organised on 27 January 2026 for final-year UG and PG students. The programme aimed to provide direct placement opportunities and familiarise students with industry-oriented recruitment practices. A total of 27 students participated in the drive, where candidates were evaluated through direct personal interviews for the post of Admission Counsellor. The recruitment process assessed communication skills, subject knowledge, professional attitude, and overall suitability for the role, while also offering students practical exposure to professional interview procedures.
